

IOWA PRIDE NETWORK programming for your College GSA

- Step 1: Decide how often you want to meet
- Step 2: Decide where you want to meet (having a regular location is best)
- Step 3: Fill in open meeting dates with topics you would like to cover
- Step 4: Research the Topics
- Step 5: Advertise plans for up-coming meetings

For Example: Alex and Leah decide to start a GSA. **(1)** They decide that they want their GSA to meet twice a month. They figure that there are nine months in the school year (September – May), which means they need to plan for 18 GSA meetings. **(2)** They also decide to have all the meetings in room 218 of the Union. **(3)** Alex and Leah then look at the Year Calendar (see Box 1 below). Then they fill in the open meeting dates with topics they want to cover and decide who will research the topics (see Box 2 below). **(4)** Leah and Alex both do their research and come up with discussion questions and then **(5)** begin making fliers and announcements detailing the GSA's plans for up-coming meetings.

Possible topics include: LGBT History, Transgender Issues, Allies, Hate Crimes, LGBT People and the Media, Current Events, Road-Side Clean-Ups and Adopting Highways, Developing a Safe-Space Program with training, Documenting acts of homophobia and presenting the information to administration, Getting sexual orientation or gender identity added to college or university policies, Staff Development Training, Create T-Shirts, Co-Sponsor Events with other groups on Campus, Set-up tables with information about national days (Day of Silence, etc.) in your Union, etc.

BOX 1

___ Meetings per Month X 9 Months = ___ GSA Meetings. We will meet in Room/Location _____ Topics we want to cover: _____ _____ _____ _____
--

BOX 2

Month	Event	Dates	Notes
September	National Hispanic-Latino Heritage Month	9/15-10/15
