

MEMBERSHIP COMMITMENT

As part of your commitment to either Iowa Pride Network's Youth Council or Leadership Team, we have estimated the amount of time one would need to devote to become a member. Look over the table carefully and decide whether or not you are responsible and organized enough to submit your application for one of the teams. We understand that occasionally circumstances beyond one's control can collide with schedules and attendance to events and meetings, none-the-less, we take attendance very seriously just as your school or university would. If you have any questions about this timetable please do not hesitate to contact Iowa Pride Network's office with your queries.
